Fondation psychanalytique pour le bien-être des enfants et des jeunes adultes
Psychoanalytic Foundation for the Well-Being of Children and Young Adults

IMPORTANT NOTICE

Dear All,

Grants are now available for the psychoanalysis and psychoanalytic psychotherapy of children, adolescents and young adults (up to age 28 years old at start of treatment), including family interventions.

Grants are awarded to the therapist to facilitate the treatment of patients/families that cannot afford therapy due to their financial situation. Grants are for a maximum of 5000\$ per year. **Please note that patients and families must reside in the province of Quebec.**

The selection process respects the principle of anonymization as well as the confidentiality of the patient/family.

For further information regarding the Grant Application and our Grant Program, please contact Ms. Mena Iacofano via email at minocean9@gmail.com.
